The Course of Instruction*

in the Preparatory Department will next fall be rearranged on the basis of dividing the academic year into three terms. This is done to meet the requirements of that large class of young men who can spend only a portion of the year at school. Classes will be formed to enable this class of students to use their limited time to the best advantage.

As this institution especially invites the sympathy and support of the religious communities of our Norwegian settlements, it is our aim that all young men from these communities, whether preparing for college or desiring a thorough knowledge of the Common Branches preparatory to entering into active life in business or in the professions, shall find in the Preparatory Department the educational facilities best suited for them.

In the Preparatory Department classes will be formed in:

ENGLISH: Reading Exercises, Grammar, Orthography, and Composition.

NORWEGIAN: The same.

GERMAN and LATIN.

GEOGRAPHY: Political and Physical.

SCIENCES: Zoology, Physiology, Physics, and Botany.

MATHEMATICS: Arithmetic, Algebra, and Geometry

CHRISTIANITY: Bible Readings and Catechism.

HISTORY: General and United States

PENMANSHIP.

VOCAL MUSIC.

PHYSICAL CULTURE.

* The changes in the Preparatory Department here set forth, and the changes in the Regulations and the Terms of Admission and the Expenses resulting from these, are proposed by the Faculty; we publish them here in the hope that they will receive the approval of the proper authorities in time to go into effect next fall.

If the change in the charges of tuition is approved, it will not affect former students, who will pay tuition according to the old rates: First year, Fall Term \$6.00, Winter Term \$8.00, Spring Term \$6.00; second year, Fall Term \$3.00, Winter Term \$4.00, Spring Term \$3.00; third year, no tuition.

GENERAL INFORMATION.

ORIGIN AND AIM.

Luther College was founded in the year 1861 by the Norwegian Evangelical Lutheran Synod of America. The College is supported by voluntary gifts from the congregations constituting that body, and is, accordingly, under the control of the Synod, which appoints the Board of Trustees and the Board of Visitors. The institution owes its origin to the growing demand for educated men who could preach the Word of Life to the rapidly increasing Norwegian population of this country.

The chief object of the College is, therefore, to teach the disciplines of liberal knowledge to young men who intend later to take up the study of theology; but the College also aims to afford the advantages of a liberal education to any youth desiring to avail himself of the same.

Believing that "the fear of the Lord is the beginning of knowledge," it regards mere mental training without Christian faith and love as possessing but a doubtful value. For this reason it desires through its religious instruction and Christian influence to reach as many as it can also of those who do not intend to serve the church directly as pastors or teachers, trusting that those whose education has been based on Christian principles will, also in other vocations, both morally and intellectually exert a beneficial influence among their countrymen and fellow-Christians.

LOCATION AND BUILDINGS.

The College was temporarily located at Halfway Creek, Wis. In the year 1862 it was removed to Decorah, Winneshiek Co., Iowa, a city situated at the terminus of the B. C. R. & N. R. R. and at that of a branch of the C. M. & St. Paul R. R. The grounds embrace 32 acres about one mile distant from the center of the city.

The College buildings are located in a fine natural park on the left bank of the Upper Iowa river, and command a beautiful view of the city and the surrounding country. There are two buildings. The main building is 170x52 feet, has four stories and a basement. There are comfortable accommodations for about 150 students.

GENERAL REGULATIONS.

School opens the first Thursday in September and closes the third Wednesday in June.

The year is divided into three terms, viz.: Fall Term, 12 weeks, Winter Term, 16 weeks, Spring Term, 11 weeks.

Examinations are held at the close of a term. Candidates for admission to a class are examined on the day previous to the opening of a term.

Strict observance of study hours and punctual attendance on all prescribed exercises are required

Students regularly attend devotional exercises and public worship.

Such other rules will be announced as are necessary for the preservation of good order.

TERMS OF ADMISSION.

All applications for admission should be sent to the President at least two weeks before the opening of a term.

Candidates for an advanced class must pass a satisfactory examination in the branches required to enter that class.

For admission to the Preparatory Department the following attainments are required: Facility in reading Norwegian and English; a legible handwriting; in Arithmetic: Notation, Addition, Subtraction, Multiplication, Division, and Common Fraction; Luther's Catechism, Pontoppidan's "Udtog", and a brief Bible History.

Satisfactory testimonials of good moral character must be presented, and those coming from other institutions are required to bring certificates of honorable dismissal.

EXPENSES.

Tuition (only in the Prep. Dep't): Fall Term \$6.00, Winter Term \$8.00, Spring Term \$6.00. (See foot-note on page 14.)

Board and contingent expenses: Fall Term \$21.00, Winter Term \$28.00, Spring Term \$21.00.

All students pay an annual fee of \$2.00 to the College physician, who will, in case of sickness, give them medical aid. The College furnishes beds, tables, book-shelves, stoves, and fuel. Students must furnish their own books, bed-clothes, light, etc. An annual fee of \$1.00 for membership in the College Library is obligatory on all students except those of the two lowest classes.

When students are permitted to board outside the school, \$8.00 are charged for contingent expenses.

All college dues must be paid in advance, at the opening of a term.

LUTHER COLLEGE ALUMNI ASSOCIATION

held its first meeting in June 1880. The aim of the association is to preserve a spirit of harmony among the graduates of this institution, and to unite them in fraternal work for the best interest of their ALMA MATER. The association is at present engaged in raising an endowment fund for Luther College. The work done so far has been successful. The Association now numbers 125 members.

LITERARY SOCIETIES.

The different literary societies afford good opportunities for improvement in reading, writing, and speaking, the Norwegian as well as the English language.

The "Addison" literary society was organized in 1879. Its regular weekly meetings are devoted to debates, original compositions, select reading, and criticism.

The "Irving" literary society was organized in 1884.

The "Students' Union" holds exercises in the College Chapel every five weeks. Members of the different literary and musical associations take part in the exercises, making them as instructive and pleasing as possible.

"Muspelheim" and "Niflheim" are reading-rooms, where members have access to the best newspapers and periodicals of the day.

LIBRARIES AND LABORATORIES.

The College Library contains 4,600 bound volumes, besides pamphlets, papers, and other printed matter. The students pay an annual fee of \$1.00 for membership in this library. An annuity of \$200 is received from the Synod. In 1884 the library was removed to more commodious quarters on the first floor of the main building.

The "Mimer" Library has on its shelves more than 800 volumes, embracing the best modern authors. The library is the property of the students constituting the "Mimer" association. Every member pays an annual fee of \$1.00. A catalogue of the books contained in these two libraries has been published.

The old library room is now used for a laboratory and has been furnished with the necessary apparatus for the study of Physics and Chemistry.

THE COLLEGE GYMNASIUM.

The structure is 75x42, and 18 feet high. The necessary apparatus have been provided. Exercises in the Gymnasium are obligatory on all students. The students have been divided into two classes, each receiving instruction two hours every week.

"COLLEGE CHIPS"

is issued monthly with 12 pages in paper covers. It is under the editorial charge of a board appointed by the students. Price 50 cents a year in advance.

MUSICAL SOCIETIES.

Two societies for the cultivation of instrumental music have been organized by the students: a brass band of twenty, and a string band of sixteen instruments. A musical library, always in receipt of the latest compositions, was started in 1883.

"LUTHER COLLEGE PHALANX."

A company has been organized for the purpose of training the students in military tactics. The College Armory contains 50 stand of arms with accoutrements.

Only such societies are allowed, whose constitution and by-laws have been approved by the President of the College.

BENEFICIARY AID.

Pecuniary contributions are regularly received from persons and congregations who are interested in the work of the College. These moneys are bestowed upon poor students whom the Faculty deem worthy of help, and who desire to educate themselves for work in the holy ministry or in the parochial schools. Clothes are also received and distributed to needy students.

LEGACIES.

Mr. Halvor O. Gjergjord, late of Stoughton, Wis., bequeathed to our College two thirds of his estate, amounting to \$5476.56, and a quarter section of land in Steele Co., Minn., to be controlled by the Board of Trustees, and the annual income thereof to be distributed among deserving students whose aim is to serve the church.

Another similar bequest has been made by Mr. Martin Pedersen of Glenwood, Iowa. The amount is \$750.00.

DEGREES.

The degree of Bachelor of Arts is conferred upon those students who have completed the regular course. Graduates of three years standing, who by a thesis, or in some other way, show to the satisfaction of the Faculty that they have made progress in a special study or studies, may on application receive the degree of Master of Arts.
